www.fscmpls.org ~ (612) 359-6490

Michelle Larson, Academy Director ~ Academy@fscmpls.org

The Figure Skating Club of Minneapolis encourages the advancement of its members in the sport of figure skating, to cultivate a spirit of teamwork among ice skaters and to sponsor figure skating competitions, exhibitions, and ice shows.

The Club offers:

- ◆ Group Instruction and Private Instruction in Freestyle, Moves, and Dance
- ◆ Synchronized Skating Teams
- ◆ Off Ice Training Opportunities
- ◆ Specialized Clinics
- ◆ Shows, Exhibitions, and Competitions

Location:

Classes are held at Augsburg College Ice Arena, 2323 Riverside Ave, Minneapolis. Free parking is available behind the arena in the Augsburg commuter parking lot. Enter on 25th Avenue South.

Annual Ice Show - April 24th, 2010

Learn to Skate Class

Each week your class includes group instruction and practice ice.

Academy Classes are designed for the beginning skater to learn the basics and more experienced skaters to achieve greater proficiency. Classes are divided by age and ability and tests levels are achieved in sequential order. Skaters are encouraged to progress at their own pace and may move up levels at any time during a session when all skills in a given level are mastered.

Classes are taught by experienced, professional skating instructors. Class sizes are small so each skater receives personalized attention. Academy professionals are also available for private instruction.

For a full list of skills in each level, please visit our web site, www.fscmpls.org and click on "Learn to Skate."

Snowplow Sam: Ages 3-5; Skaters learn to fall down properly, stand, march and other basics of skating. (Helmet required; bicycle or hockey helmets are acceptable.)

Basic 1-8: Ages 6+; Skaters learn forward skating, backward crossovers, stopping and turning.

Freestyle 1-6: Upon completion of Basic 1-8, skaters are introduced to more advanced jumps, spins, and footwork.

Adult 1-4: USFS offers beginner and advanced adult skaters a program that introduces footwork, stopping, and freestyle elements.
